

Washtenaw Contractors Association

CONSTRUCTION UPDATE

WCA MEMBERSHIP MEETING

Considering Joining the WCA?
Prospective members are also
welcome to attend

Washtenaw County's biggest "engine" for the local construction industry continues to be the work undertaken by the area's major public construction users, particularly the University of Michigan. It has been more than two years since we have had a campus-wide overview of all U of M construction projects. At our next meeting, Marina Roelofs, Executive Director - Architecture, Engineering and Construction, and Tom Abdelnour, Assistant Director, will review U of M's future construction plans.

Thursday, May 21, 2009
